## Data privacy statement for the Bosch Secure Truck Parking Offer

Bosch Service Solutions GmbH (hereinafter "Bosch" or "We" or "Us") welcomes you to our internet pages and mobile applications for iOS and Android as well as our Parking Manager WebApp (together also referred to as "Online Offers"). We thank you for your interest in our company and our products.

### 1. Bosch respects your privacy

The protection of your privacy throughout the course of processing personal data as well as the security of all business data is an important concern to us. We process personal data that was gathered during your visit of our Online Offers confidentially and only in accordance with statutory regulations.

Data protection and information security are included in our corporate policy.

### 2. Controller

Bosch is the controller responsible for the processing of your data; exceptions are outlined in this data protection notice.

Our contact details are as follows: Bosch Service Solutions GmbH, Mainzer Landstraße 193, 60326 Frankfurt am Main, Germany, e-mail: [contact@bosch.com](mailto:contact@bosch.com), Phone +44 151 2373200

### 3. Collection, processing and usage of personal data

#### 3.1. Principles

Personal data consists of all information related to an identified or identifiable natural person, this includes, e.g. names, addresses, phone numbers, email addresses, contractual master data, contract accounting and payment data, which is an expression of a person's identity.

We collect, process and use personal data (including IP addresses) only when there is either a statutory legal basis to do so or if you have given your consent to the processing or use of personal data concerning this matter, e.g. by means of registration.

#### 3.2. Processed categories of data

We differentiate between a company's business administrators and dispatchers, its registered drivers and parking area providers

For business administrators and dispatchers, the following categories of data are processed:

- Contract data (e.g. acceptance of Terms and Conditions, company address)
- Reservation and parking information, as well as identification media (e.g., license plate, planned time of parking, parking area, booking ID, QR code, booking status, booking PIN)
- Contract and parking history (e.g., contract documents, bookings, license plates, planned time of parking, parking area, booking ID, QR code, booking status, booking PIN)

- Billing and payment information (e.g., amount paid, invoice number, invoice date)
- Information (from third parties, such as, credit checks, information services or from public directories)

For registered drivers, the following categories of data are processed:

- Contract data (e.g. acceptance of Terms and Conditions)
- Reservation and parking information, as well as identification medium (e.g., license plate, planned time of parking, parking area, booking ID, QR code, booking status, booking PIN))
- Contract and parking history (e.g., contract documents, bookings, license plates, planned time of parking, parking area, booking ID, QR code, booking status, booking PIN)
- User and communication data (e.g., name, telephone number, language)
- Business and business communication data (e.g., phone, address, contact person)
- Billing and payment information (e.g. Name, surname, Credit card number, credit card CVV, credit card expiry date, amount of payment, invoice number, invoice date, PSP reference number, PSP reference text)

If you as a driver have not entered this information yourself. We receive this information through input from your business administrator or dispatcher within our booking process.

For parking area providers:

- Contract data (e.g. name and address of parking area, name of parking area provider, company name of parking area provider, pictures of parking area, acceptance of Terms and Conditions, company address)
- Contract and parking history (e.g., contract documents, bookings)
- User and communication data (e.g. name, phone, e-mail, company address, contact partner)
- Billing and payment information (e.g., billing information)

### **3.3. Processing purposes and legal bases**

We; as well as the service providers commissioned by us; process your personal data for the following purposes:

- To answer user inquiries (Legal basis: Fulfillment of contractual obligations and fulfillment of measure precedent to the contract)
- To provide the booking services. For this reason, personal data is also transferred to parking area operators and BSTP service providers. For more information on this transfer, see 3.10 of this privacy notice (Legal basis: Fulfillment of contractual obligations, legitimate interest of us as well as the parking area operators and BSTP service providers in the secure provision of the parking areas and securing our or their rights in case of violations of the terms of use, damages on the parking areas, etc.)

- 
- Safeguarding and defending our rights (Legal basis: Justified interest on our part for safeguarding and defending our rights)
- Hotline-Services (Legal basis: Fulfillment of contractual obligations)

### **3.4. Registration**

If you wish to use or get access to benefits requiring to enter into the fulfillment of a contract, we request your registration. With your registration we collect personal data necessary for entering into the fulfillment of the contract (e.g. first name, last name, address, telephone number, e-mail address, if applicable, details on the preferred payment method or on the account holder) as well as further data.

### **3.5. Log files for website usage**

Each time you use the internet, your browser is transmitting certain information which we store in so-called log files.

We save log files for three months to determine service disruptions and for security reasons (e.g. to investigate attack attempts) and delete them afterwards. Log files which need to be maintained for evidence purposes are excluded from deletion until the respective incident is resolved and may, on a case-by-case basis, be passed on to investigating authorities.

In log files, in particular the following information is saved:

- IP address (internet protocol address) of the terminal device used to access the Online Offer;
- Internet address of the website from which the Online Offer is accessed (so-called URL of origin or referrer URL);
- Name of the service provider which was used to access the Online Offer;
- Name of the files or information accessed;
- Date and time as well as duration of recalling the data;
- Amount of data transferred;
- Operating system and information on the internet browser used, including add-ons installed (e.g., Flash Player);
- http status code (e.g., “Request successful” or “File requested not found”).

### **3.6. Log files for Smartphone App usage**

Every time you use the Smartphone App, certain information is automatically transmitted and stored by us in so-called log files.

We save log files for three months to determine service disruptions and for security reasons (e.g. to investigate attack attempts) and delete them afterwards. Log files which need to be maintained for evidence purposes are excluded from deletion until the respective incident is resolved and may, on a case-by-case basis, be passed on to investigating authorities.

In log files, in particular the following information is saved:

- IP address of the mobile device
- Name of the Internet service provider from which our system is accessed
- Type and content of server requests (e.g. creation, execution and modification of parking procedures with time, query user details)
- Http status code (e.g. “request successful” or “requested file not found”).

### **3.7. Portal actions log files**

Log information is stored in so-called log files whenever the portal and the services and functions are made available.

The log files will be used by us solely to document use. The retention of these data is three months. After this time, the log files are being deleted. Log files, whose further retention is necessary for documentation purposes are exempted from the deletion up to the final clarification of the respective incident and can be passed on to investigating authorities in individual cases).

In log files, in particular the following information is saved:

- Time of login
- Logged user

- Changes to authorizations with date and time
- Changes to user and customer data with date and time

### **3.8. Parking Manager WebApp log files**

Log information is stored in so-called log files whenever the portal and the services and functions are made available.

We save log files for three months to determine service disruptions and for security reasons (e.g. to investigate attack attempts) and delete them afterwards. Log files which need to be maintained for evidence purposes are excluded from deletion until the respective incident is resolved and may, on a case-by-case basis, be passed on to investigating authorities.

In log files, in particular the following information is saved:

- Time of login
- Logged user
- Creation, implementation and alteration of parking processes with date and time
- Changes to authorizations with date and time
- Recording rudimentary customer data (license plate number) and payment method for non-Bosch customers at the beginning of a parking process

### **3.9. Children**

This Online Offer is not meant for children under 16 years of age.

### **3.10. Data transfer**

#### **Data transfer to other controllers**

Principally, your personal data is forwarded to other controllers only if required for the fulfillment of a contractual obligation, or if we ourselves, or a third party, have a legitimate interest in the data transfer, or if you have given your consent. Particulars on the legal bases can be found in the Section [Processing purposes and legal bases](#). Third parties may also be other companies of the Bosch group. When data is transferred to third parties based on a justified interest, this is explained in this data protection notice.

Additionally, data may be transferred to other controllers when we are obliged to do so due to statutory regulations or enforceable administrative or judicial orders.

#### **Service providers (general)**

We involve external service providers with tasks such as sales and marketing services, contract management, payment handling, programming, data hosting and hotline services. We have chosen those service providers carefully and monitor them on a regular basis, especially regarding their diligent handling of and protection of the data that they store. All service providers are obliged to maintain confidentiality and to comply to the statutory provisions. Service providers may also be other Bosch group companies.

### **Payment service providers**

We involve external payment service providers.

Depending on the type of payment method you choose during the ordering process, we transfer the data used for the processing of payments (e.g. bank account or credit card data) to the financial institution charged with the payment. In that case (payment service providers are data controllers) the data protection notice or privacy policy of the respective payment service provider applies.

With regard to gateway and payment processing services, we use as processor:

Adyen N.V., Simon Carmiggeltstraat 6-50, 1011 DJ Amsterdam, The Netherlands.

At the same time we use for acquiring services

Adyen N.V., Simon Carmiggeltstraat 6-50, 1011 DJ Amsterdam, The Netherlands

also as a payment service provider.

With regard to the processing of your payments by Adyen as payment service provider, Adyen always processes as its own controller. The privacy notices of Adyen then apply. You can find out more about this data processing here: [Privacy Statement Adyen](#)

### **Parking Area Provider:**

We transmit reservation and parking transaction information, as well as identification media, user and communication data to the Parking Area Provider of the parking space you have booked. Your Parking Area Provider will be displayed to them in the booking process. A complete list of all Parking Area Provider can be found [here](#).

### **BSTP Service Provider:**

We transmit reservation and parking transaction information, as well as identification media, user and communication data and billing and payment information to the BSTP Service Provider of the parking space you have booked. Your BSTP Service Provider will be displayed to them in the booking process. A complete list of all BSTP Service Providers can be found [here](#).

### **Transfer to recipients outside the EEA**

We might transfer personal data to recipients located outside the EEA into so-called third countries.

In such cases, prior to the transfer we ensure that either the data recipient provides an appropriate level of data protection (e.g. due to a decision of adequacy by the European Commission for the respective country or due to the agreement based on so-called EU model clauses with the recipient) or that you have consented to the transfer.

Current recipients in third countries:

- Bosch Global Software Technologies Private Limited (BGSW), No.123, Industrial Layout, Hosur Road, Koramangala, Bangalore 560 095 India
- ClickSend Deutschland, White Collar Factory, 1 Old Street Yard, London EC1Y 8AF United Kingdom
- Bosch Service Solutions Limited, The Plaza 100 Old Hall Street, Liverpool L3 9QJ, United Kingdom

### **3.11 Duration of storage; retention periods**

Principally, we store your data for as long as it is necessary to render our Online Offers and connected services or for as long as we have a justified interest in storing the data (e.g. we might still have a justified interest in postal mail marketing after fulfillment of our contractual obligations). In all other cases we delete your personal data with the exception of data we are obliged to store for the fulfillment of legal obligations (e.g. due to retention periods under the tax and commercial codes we are obliged to have documents such as contracts and invoices available for a certain period of time).

## **4. Credit assessments**

We may carry out a credit assessment of the booking company if your parking transactions exceed a certain monthly volume.

We have a justified interest in performing the credit assessments set forth in this section for the purpose to protect ourselves from bad debts or investments. We might commission companies performing mathematical and statistical analysis to assess the risk of payment default and deliver, within the scope of what is allowed under law, information on the probability of payment defaults. For the assessment, address data may be used, but not exclusively.

In case the result of a credit assessment does not satisfy our requirements, we reserve the right to ask for an assured payment method (e.g. credit card) or to refuse to enter into a contract.

A credit assessment is based on automated decision-making. If you disagree with the result, you may submit your point of view in writing to be reviewed by a case handler. In addition, you are entitled to find out about the essential reasons supporting the decision of the respective service provider.

We have commissioned the following service providers with credit assessments:

CRIF GmbH, Leopoldstraße 244, 80807 München, Deutschland

## **5. Cookies**

### **5.1. Use of cookies**

In the context of our online service, cookies and tracking mechanisms may be used.

Cookies are small text files that may be stored on your device when visiting our online service.

Tracking is possible using different technologies. In particular, we process information using pixel technology and/or during log file analysis.

## **5.2. Categories**

We distinguish between cookies that are mandatorily required for the technical functions of the online service and such cookies and tracking mechanisms that are not mandatorily required for the technical function of the online service.

It is generally possible to use the online service without any cook-ies that serve non-technical pur-poses.

### **5.2.1. Technically required cookies**

By technically required cookies we mean cookies without those the technical provision of the online service cannot be ensured. These include e.g. cookies that store data to ensure smooth reproduction of video or audio footage.

Such cookies will be deleted when you leave the website.

### **5.2.2. Cookies and tracking mechanisms that are technically not required**

We only use cookies and track-ing mechanisms if you have giv-en us your prior consent in each case. With the exception of the cookie that saves the current sta-tus of your privacy settings (se-lection cookie). This cookie is set based on legitimate interest.

We distinguish between two sub-categories with regard to these cookies and tracking mecha-nisms:

#### **5.2.2.1. Comfort cookies**

These cookies facilitate operation and thus allow you to browse our online service more comfortably; e.g. your language settings may be included in these cookies.

#### **5.2.2.2. Marketing cookies and tracking mechanisms**

We do not utilize marketing cookies and tracking machanisms.

## **5.3. Deactivation and deletion of cookies**

When you visit our Internet pages, you will be asked in a cookie-layer pop-up whether you want to allow the cookies placed by us, and to continue using our Online Offers.

However, you can delete all cookies via your browser at any time. For this purpose, please refer to the help functions of your browser. However, this can also mean that certain functions will no longer be available to you.

In addition, the following website allows the use of cookies to be administered and disabled by third parties:

<http://www.youronlinechoices.com/uk/your-ad-choices>

This website is not operated by us, so we are not responsible and have no influence on its content or availability.

## 6. Google Maps Platform

We use Google Maps Platform from Google Inc., 1600 Amphitheater Parkway, Mountain View, CA 94043, USA ("Google") to visualize geographical information. When Google Maps is used, information may be processed about your use of the relevant functions. These servers may be located outside the EU. For more information about data processing by Google, please refer to Google's Privacy Policy at the following link <http://www.google.com/privacypolicy.html>

## 7. Firebase Crashlytics

App users can help us improve our app by providing us with analysis data in case of a crash. We make this dependent on your consent. Our app will only send analysis data if you have explicitly agreed to the data transmission by activating this function.

If you later decide not to send the analysis data, you can stop this at any time in the app's settings.

The Firebase Crashlytics service is provided by Google Inc, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA. Google's servers may be located outside the EU. The data transferred is subject to Google's privacy policy, which can be viewed at the following link <https://policies.google.com/privacy>.

## 8. Newsletter

Within the scope of our Online Offers you can sign up for newsletters. We shall make this subject to your consent, for example in the context of your registration. We only send you a newsletter via e-mail after you have used the sent login data to log into the portal or after you have explicitly confirmed the activation of the newsletter service to us by clicking on the link in a notification.

In case you wish to no longer receive newsletters, you can terminate the subscription at any time by withdrawing your consent. You can withdraw your consent to email newsletters by clicking on the link which is sent in the respective newsletter mail. Alternatively, please contact us via the contact details provided in the [Contact](#) section.

## 9. External links

Our Online Offers may contain links to third party internet pages – by providers who are not related to us. Upon clicking on the link, we have no influence on the collecting, processing and use of personal data possibly transmitted by clicking on the link to the third party (such as the IP address or the URL of the site on which the link is located) as the conduct of third parties is naturally beyond our supervision. We do not assume responsibility for the processing of personal data by third parties.

## 10. Security

Our employees and the companies providing services on our behalf, are obliged to confidentiality and to compliance with the applicable data protection laws.

We take all necessary technical and organizational measures to ensure an appropriate level of security and to protect your data that are administrated by us especially from the risks of

unintended or unlawful destruction, manipulation, loss, change or unauthorized disclosure or unauthorized access. Our security measures are, pursuant to technological progress, constantly being improved.

## **11. User rights**

To enforce your rights, please use the details provided in the [Contact](#) section. In doing so, please ensure that an unambiguous identification of your person is possible.

### **Right to information and access:**

You have the right to obtain confirmation from us about whether or not your personal data is being processed, and, if this is the case, access to your personal data.

### **Right to correction and deletion:**

You have the right to obtain the rectification of inaccurate personal data concerning yourself without undue delay from us. Taking into account the purposes of the processing, you have the right to have incomplete personal data completed, including by means of providing a supplementary statement.

This does not apply to data which is necessary for billing or accounting purposes or which is subject to a statutory retention period. If access to such data is not required, however, its processing is restricted (see the following).

### **Restriction of processing:**

You have the right to demand for – as far as statutory requirements are fulfilled – restriction of the processing of your data.

### **Objection to data processing:**

You have the right to object to data processing by us at any time. We will no longer process the personal data unless we demonstrate compliance with legal requirements to provide provable reasons for the further processing which are beyond your interests, rights and freedoms or for the establishment, exercise or defense of legal claims.

### **Objection to direct marketing:**

Additionally, you may object to the processing of your personal data for direct marketing purposes at any time. Please take into account that due to organizational reasons, there might be an overlap between your objection and the usage of your data within the scope of a campaign which is already running.

### **Objection to data processing based on the legal basis of “justified interest”:**

In addition, you have the right to object to the processing of your personal data at any time, insofar as this is based on a justified interest. We will then terminate the processing of your data, unless we demonstrate compelling legitimate grounds according to legal requirements which override your rights.

**BOSCH**

Invented for life

**Withdrawal of consent:**

In case you consented to the processing of your data, you have the right to revoke this consent with immediate effect. The legality of data processing prior to your revocation remains unchanged.

**Data portability:**

You are entitled to receive data that you have provided to us in a structured, commonly used and machine-readable format or – if technically feasible – to demand that we transfer those data to a third party.

**Right of complaint with supervisory authority:**

You have the right to lodge a complaint with a supervisory authority. You can appeal to the supervisory authority which is responsible for your place of residence or your state of residency or to the supervisory authority responsible for us. This is:
